

Beyond Fronteras

Treasuring an Arizona Border Community's
Past and Future

My neighborhood is the school who

wear blue sweaters

It is paletas and class noise and el señor gritando

“que paletas”

Nogales is Sonoran tacos de perro

Love the sound of family having fun

Love the sound of the carro de mi hermano makes

Nogales is the place of 16 de Septiembre

**The center was full with all the food the Mexican
people like to eat**

Fear is how Nogales changes

Fear es como se está haciendo Nogales

Love is how my family do all things we want

Love is all the things I do with my friends
