

Beyond Fronteras

Treasuring an Arizona Border Community's
Past and Future

Oh Nogales my beautiful Nogales

Where tacos de perro and

carne asada are your strong dish

Where you see dogs on the streets trying to survive

Just likes the persons who live at the monte

Oh Nogales where you only have one place to go

Where everyone knows each other

Where we have vecinos que chismean

Oh Nogales that's for giving me

my brightest moments

And also thanks for the bad moments

Oh Sonora!

Thanks for giving us famous people like

Nataniel Cano, Maria Felix, and some more

Oh Nogales where the only direction you get

from someone is "next to the OXXO"
