

Beyond Fronteras

Treasuring an Arizona Border Community's
Past and Future

I am from the city with the best hot dog

With the best baseball team

I am from battle camp, from can kill you if when

you stay in the incorrect place

I am sometimes fear or sometimes brave

But always I am smile

I am Tatis making a home-run

I am Kobe shooting the ball

I am my parents smiling

I will be the best president

I will be making music

I will be taking a turn to the bat

I will be making the home-run winner
